# **EDGE**

*from TOUCHED BY MACHINE?*

*for wind quartet*

*Nigel Morgan*

## **About the piece**

Between 1988 and 1991 Nigel Morgan created a sequence of four works, DUO (trombone and percussion), TRIO (violin, clarinet and piano), QUARTET (string quartet) and EDGE (wind quartet). These pieces, forming a CD-length concert called *TOUCHED BY MACHINE?*<sup>1</sup>, were part of a sustained project to explore computer-assisted composition using the tools of the MIDI studio.

MIDI systems tend to encourage interaction with real-time processes: recording, improvisation, multi-tracking, complex layering, even sequencing, ordering and editing. However, the major factor of the composition act the composer wished to explore in *TOUCHED BY MACHINE?* was computer support for pre-composition: the considered creation and organization of the discrete elements that make up the basic material composers use to create a musical score. That said, in the composition of EDGE there was a mixture of machine-led improvisation in multiple parts and the off-line manipulation of algorithmic processes of interpolation and transformation of pitch, rhythm, articulation and dynamics.

EDGE uses as its composition environment two plug-in modules of the music sequencing software KCS (Keyboard Controlled Sequencer) created by Dr Emile Tobenfeld in 1985. The first module, responsible for the creation of the first section Improvisation, is called *Fingers*. This is essentially an improvising instrument controlled from the computer keyboard able to control four instrumental parts simultaneously. The second, known as the *Programmable Variations Generator* (PVG), was probably the first menu-driven algorithmic generator and editor commercially available that did not require any specialist knowledge of computer languages. This module was responsible for the second and third sections titled Interpolation and Transformation. PVG enabled the composer to explore quite elaborate 'what-ifs' in a multi-part composition.

---

<sup>1</sup> This title comes from an article by Stephen Travis Pope called *Touched by Machine? – Composition and Performance in the Digital Age*. This text presents responses from composers who were asked the following questions: How have new technologies changed the process of composition and performance? What new possibilities are aesthetically and artistically relevant? How do the new tools allow us to use musical material differently?

*Computer Music Journal: vol 19. No.3. Cambridge MA. MIT Press.*

With PVG whole chains of edits, processes, and transformations could be executed simultaneously, taking in conventional musical devices such as transposition and inversion as well as more novel procedures such as the application of Gaussian distribution and probability curves to musical parameters.

Surrounding the technical aspect of EDGE there were two important elements:

The first was the composer's interest in the artist Bridget Riley, in particular her ability to engage the viewer actively in her monochrome paintings and then later her work with colour stripes. In her paintings it is the viewer's position in, and movement across, the pictorial space that appears to make the image 'move' playfully. The music that makes up the pieces in the *TOUCHED BY MACHINE?* sequence attempts something of the same, only with sound and the listener. It is also something of a journey reflecting Riley's artistic progress from black and white to colour.

The second was peculiar to EDGE itself. The score was commissioned with funds from the Eastern Arts Association for the Woodnotes Wind Quartet, an ensemble of post-graduate students from the Guildhall School of Music in London. This ensemble proposed a piece that might allow for more confrontational aspects of performance than is usual for the wind quartet. The use of unusual playing techniques, along with the use of amplification and electronics was discussed, as was the physical disposition of the players, particularly the dramatic effect of standing rather than sitting to play.

### Notes for Performance

One of the prevailing ideas during the composition of this work was to create a very abstract and detached 'surface' of musical interaction between four very different musical instruments. Although a dynamic scheme has been put in place in the score this should be regarded as a starting point for more elaborate schemes devised by the performers: the work offers many possibilities for different perspectives to be opened up by altering the balance of the ensemble in much the same way as moving around a Bridget Riley painting engenders different qualities of experience for the viewer.

There is a simple scenario imagined for EDGE. The music begins with the ensemble seated in a semi-circle as for the performance of a piece of 'classical' music. In the eight or so bars leading up to *Interpolation* the players get up and move to a standing position behind four music stands directly facing the

audience, rather in the manner of a rock band. In the section *Transformation* the ensemble become street performers / buskers and are encouraged to devise ensemble theatrical gestures and mime-like movements choreographed in such a way as to anticipate or reflect the changes of material and particularly the many pauses / silences threaded through the music. It will be clear that some element of memorization of this section may be required.

In the central movement of EDGE titled *Interpolation* a drum machine, or pre-recorded CD track is scored into the music. The use of this element is optional in performance but obligatory in rehearsal – to encourage the idea of playing in and against the tension of a fixed 'beat'. In the first performance a tape was triggered from an on-stage beat-box such as used by street dancers. In this revised edition of the score a CD-track, enhanced by samples and electroacoustic effects, has been prepared by Phil Legard and may be downloaded from the composer's website. Ensembles are encouraged to create their own version of this electronic accompaniment if they so wish.

Throughout the second and third sections of the work the ensemble may use rock and jazz articulations, adding grace notes, bends, slides, flutter-tongue and multi-phonics as appropriate. The limited pitch tessitura found in the parts is an invitation to the players to freely change register by transposing passages up or down an octave, even a fourth or a fifth as appropriate. The application of 'ghost' notes (a physical gesture without the sound as found in the scores of George Crumb) is also encouraged. If amplification and electronics are used this should be for the *Interpolation* section only, gradually fading out as the *Transformation* movement progresses.

The Clarinet in A part is written in the score at sounding pitch.

### Coda

In a radio interview in 1987 Riley described her use of the coloured stripe that characterized her paintings of the early seventies as creating 'edge', a dynamic and vibrant constituent that contains the energy of colour. This quartet is all 'edge'.

E

This musical score excerpt shows four staves: Flute (Fl.), Oboe (Ob.), Clarinet (Cl.), and Bassoon (Bsn.). The time signature is common time. Measure 42 begins with a dynamic of *p*. The Flute has a sustained note followed by eighth-note pairs. The Oboe plays eighth-note pairs. The Clarinet has a single eighth note. The Bassoon remains silent. Measures 43-44 show the Flute playing eighth-note pairs, the Oboe playing sixteenth-note patterns, the Clarinet silent, and the Bassoon silent. Measures 45-46 show the Flute playing eighth-note pairs, the Oboe playing eighth-note pairs, the Clarinet silent, and the Bassoon silent. Measures 47-48 show the Flute playing eighth-note pairs, the Oboe playing eighth-note pairs, the Clarinet silent, and the Bassoon silent. Measures 49-50 show the Flute playing eighth-note pairs, the Oboe playing eighth-note pairs, the Clarinet silent, and the Bassoon silent.

*(b)*

This musical score excerpt shows four staves: Flute (Fl.), Oboe (Ob.), Clarinet (Cl.), and Bassoon (Bsn.). The time signature is common time. Measure 49 begins with a dynamic of *mf*. The Flute has eighth-note pairs. The Oboe has eighth-note pairs. The Clarinet has eighth-note pairs. The Bassoon remains silent. Measures 50-51 show the Flute playing eighth-note pairs, the Oboe playing eighth-note pairs, the Clarinet silent, and the Bassoon silent. Measures 52-53 show the Flute playing eighth-note pairs, the Oboe playing eighth-note pairs, the Clarinet silent, and the Bassoon silent. Measures 54-55 show the Flute playing eighth-note pairs, the Oboe playing eighth-note pairs, the Clarinet silent, and the Bassoon silent. Measures 56-57 show the Flute playing eighth-note pairs, the Oboe playing eighth-note pairs, the Clarinet silent, and the Bassoon silent.

This section contains five staves of musical notation. The Flute (Fl.) has a melodic line with grace notes and dynamic markings *mf*, *p*, and *mf*. The Oboe (Ob.) plays eighth-note patterns. The Clarinet (Cl.) has a sustained note followed by eighth-note patterns. The Bassoon (Bsn.) provides harmonic support with sustained notes and eighth-note patterns. The Percussion (Perc.) part consists of simple eighth-note patterns on a single staff.

This section continues with five staves. The Flute (Fl.) features sixteenth-note patterns with dynamics *mf*, *f*, and *f*. The Oboe (Ob.) and Clarinet (Cl.) play eighth-note patterns. The Bassoon (Bsn.) has sustained notes and eighth-note patterns. The Percussion (Perc.) part remains consistent with eighth-note patterns. A small rectangular bracket is placed above the first measure of this section.

Musical score for orchestra and percussion, page 91. The score includes parts for Flute (Fl.), Oboe (Ob.), Clarinet (Cl.), Bassoon (Bsn.), and Percussion (Perc.). The key signature is B-flat major (two flats). The score consists of five systems of music. Dynamics indicated include *mf*, *f*, *mp*, *mf*, *ff*, and *f*. The percussion part features a repeating pattern of eighth-note pairs followed by a sixteenth-note cross pattern.

Musical score for orchestra and percussion, page 10, measures 96-100. The score includes parts for Flute (Fl.), Oboe (Ob.), Clarinet (Cl.), Bassoon (Bsn.), and Percussion (Perc.). Measure 96 starts with a dynamic of **f**. The Flute has a sixteenth-note pattern. The Oboe and Clarinet play eighth-note patterns. The Bassoon has a sustained note. The Percussion part consists of a continuous pattern of crossed X's and open squares. Measures 97-98 show the instruments continuing their patterns with dynamics **mf**, **f**, **f**, **fp**, **f**, **fp**, **f**, **fp**, and **f**. Measures 99-100 show the instruments continuing their patterns with dynamics **ff**, **f**, **f**, **fp**, **f**, **fp**, **f**, and **f**.

Musical score for Flute (Fl.), Oboe (Ob.), Clarinet (Cl.), Bassoon (Bsn.), and Percussion (Perc.). The score consists of five staves. The Flute has a melodic line with grace notes and dynamic markings *mf*, *f*, *mf*, *mp*, *mf*, *f*. The Oboe provides harmonic support with sustained notes and dynamic markings *mp*, *mf*, *f*, *mf*, *f*. The Clarinet and Bassoon play sustained notes with dynamic markings *p*, *mf*, *f*, *mf*, *f*. The Percussion part features a continuous pattern of eighth-note pairs on the bass drum.

Musical score for Flute (Fl.), Oboe (Ob.), Clarinet (Cl.), Bassoon (Bsn.), and Percussion (Perc.). The score is in 120 BPM. The Flute and Bassoon play eighth-note patterns. The Oboe and Clarinet play sixteenth-note patterns. The Percussion part consists of a continuous pattern of crossed X's and open squares. Measure numbers 120, 121, and 122 are indicated above the staves. Dynamics include *f*, *ff*, *mf*, and *mp*. Measure 120 starts with *f* for Flute and Bsn., followed by *ff* for Ob. and Cl. Measure 121 starts with *ff* for Flute and Bsn., followed by *mf* for Ob. and Cl. Measure 122 starts with *mf* for Flute and Bsn., followed by *mp* for Ob. and Cl.

Bsn.

This section contains four staves. The first staff (Flute) has a single note. The second staff (Oboe) shows a continuous eighth-note pattern. The third staff (Clarinet) and fourth staff (Bassoon) both have a single note. Measures 186 and 187 follow the same pattern. Measure 188 begins with a rest, followed by the oboe's eighth-note pattern.

189

Fl.

Ob.

Cl.

Bsn.

This section contains four staves. The first staff (Flute) starts with a rest, followed by eighth-note pairs at dynamic *f*. The second staff (Oboe) starts with eighth-note pairs at *f*, followed by *mf*, *mp*, *pp*, and *p*. The third staff (Clarinet) starts with eighth-note pairs at *f*, followed by *mf*, *mp*, *pp*, and *p*. The fourth staff (Bassoon) remains silent throughout. Measure 190 follows a similar pattern with different dynamics. Measures 191 and 192 continue the alternating pattern between flute, oboe, and clarinet.

Y

Musical score for Flute (Fl.), Oboe (Ob.), Clarinet (Cl.), and Bassoon (Bsn.) from measure 205. The score consists of four staves. The Flute starts with a dynamic of *mf*. The Oboe follows with *mf*. The Clarinet and Bassoon enter with *mf*. The dynamics change to *mp* for the Oboe and Clarinet in the second measure. The Bassoon then increases to *f*. The dynamics return to *mp* for the Oboe and Clarinet in the third measure. The Bassoon then increases to *f*. The dynamics then increase to *poco a poco cresc.* for all instruments. The dynamics then decrease to *mf* for the Oboe and Clarinet in the fifth measure. The Bassoon then increases to *f*. The score is labeled with a box containing the letter "Z" above the first measure.

Musical score for Flute (Fl.), Oboe (Ob.), Clarinet (Cl.), and Bassoon (Bsn.) in 2/4 time. The key signature changes between G major (two sharps) and F major (one sharp). Measure 210 starts with Flute playing eighth-note pairs. Measures 211-212 show Oboe and Clarinet entries with slurs and grace notes. Measures 213-214 feature Bassoon entries. Dynamics include *f*, *ff*, *mf* (with a crescendo arrow), *f*, *ff*, *f*, *ff*, *f*, *ff*, *f*, *poco ritardando*, *f*, *molto*, *f*, *molto*, and *f*, *molto*.
